1976 Bicentennial Lincoln Play

The Woodford County Historical Association generously donated a tape of the 1976 Bicentennial play in the Courthouse re-enacting the Melissa Goings trial.

Our former outstanding high school musical director, Marge Schierer, was responsible for whipping this local group of naturally talented thespians into shape. Considering what she had to work with, we think you'll agree that she did an amazing job! It was a lot of fun to see our friends as they were almost 40 years ago!

The original tape was in an odd format that is no longer available. But we were able to get the tape converted to a Windows format so it can be viewed on Windows computers. We have made it available if you have a 4 gig thumb drive – and a \$5 donation to help cover the conversion cost. Contact us for how to get a copy.

At the right you will find the cast of "characters," which is an appropriate description of our group of would-be Hollywood stars!

Looking for Old Pictures...

Do you have pictures to share...?

We are always searching for old pictures and stories: If you have old pictures of family, events, businesses, friends, schools, military, etc., that you would be happy to share, we would very much appreciate it.

To share, you can stop by the Jim Maloof office at 119 E Partridge, next to the post office in Metamora. We'll scan your picture and give it right back.

If you have the background – names, dates, history, etc., that's even better!
